

Motorcycle Parts Declaration

[Save](#)[Reset Form](#)

Complete this form if you have products flagged as potential motorcycle parts per [Presidential Proclamation](#) when all products should be treated the same. If you have some products that are motorcycle parts and some that are not, please indicate this status on your Commercial Invoice instead of completing this form. Failure to pay duties on subject goods can result in adverse action from CBP. By signing this form, you acknowledge that you have read the entire form and understand your responsibilities as the importer of record.

Complete for Single Shipment Declarations ONLY
